**PS: we only use Professional Australian Products...never cheap bulk stuff!
La Clinica Products are Halal approved and perfect for Asian skin types.**

I found Beauty Necessities on the internet & took up the introductory deal. Tracey listened to me about my skin concerns & suggested the course of glycolic peels. I have seen a big improvement in my skin & it's great to receive compliments from friends & family also. I have no hesitation in recommending Beauty Necessities. Melissa C. Donvale.

I have been having monthly facials from Nicole for several years now, and just LOVE them. The ambience is great, the service friendly & the facial always leaves my face looking lovely & feeling glowing. Jennifer M. Diamond Creek.
