Welcome

January holidays means the kids are off to Mill Valley Ranch as usual and since we went to Fiji in November, the family and I plan to just hang around the house these holidays. Wayne has a few weeks off in January, so hopefully he can finish off the odd jobs that need doing, while I'm working. (I think I'm getting the better end of that deal hehe!) We hope you all had a restful Christmas and partied for New Years! Tracey enjoyed the time off, did nothing & re-energized. We both agreed that our New Years resolution is to stay motivated & work hard to achieve our personal & professional goals this year! We want to release our weight this year, because losing it means we might find it again! Hehe We look forward to working with each of you to make 2012 a fantastic year! Nicole & Tracey

Our cast iron Guarantee: In the unlikely event that you're not COMPLETELY delighted with everything about your experience with us, we WANT you to say so right away, and we'll either re-do it for free, give you a credit note or a prompt refund – it's your choice!
