Welcome

The countdown to our family vacation to Fiji has commenced! Although it has been a stressful few months leading up to this trip, (finding someone to give Tracey a hand while I am gone), I can't wait to arrive, relax and indulge in body treatments all week long! My excitement is building as I have been following the feast & famine diet to get myself beach body ready! When I return, I hope to be energized to jump back into treatments and get everybody else ready for Christmas! I'm sure November will be a busy month and we hope to see you in the salon soon.

Warm regards, Nicole

Our cast iron Guarantee: In the unlikely event that you're not COMPLETELY delighted with everything about your experience with us, we WANT you to say so right away, and we'll either re-do it for free, give you a credit note or a prompt refund – it's your choice.
