**Welcome**

Hasn't this month gone FAST!!! We have been so busy, I don't even know what has been happening. We would like to thank all of you for making our job easy and fun. We enjoy having a laugh and getting to know all of our new clients as well as catching up with our wonderful regulars. In the next month or two look out for a new staff member, we are getting so busy it is time to expand, I hope you will all make her feel welcome and trust that we will only hire the best!!!

I have been busy with my mum who is having lots & lots of medical tests, so my brain is a bit frazzled. (I think old-timers is catching) I would love to take tablets for my memory if only I could remember to take them!!!

Tracey had a wonderful time at a ball got all dressed up to the nines, and danced the night away with her friends!!!

Tracey, Samantha and I are watching our weight and it is slowly disappearing, but we need your support and encouragement to keep going, so when you come in let us know how we're doing.

**Our cast Iron Guarantee:** In the unlikely event that you're not COMPLETELY delighted with everything about your experience with us, we WANT you to say so right away, and we'll either re-do it for free, give you a credit note or a prompt refund - it's your choice.
