We have been extremely busy, but don't fret, there are some great specials in December, that make great gift ideas! As many of you know, the family & I went to Fiji for 10 days for a 50th Wedding Anniversary. We enjoyed sun baking in the rain because it was still hot, snorkeling with the kids, met for the first time nieces that live in America and overall had a splendid time! (check out the photos on the back) We would like to thank all our clients for a wonderful year and wish everybody a very Merry Christmas and a Happy New Year! We hope to see you all in 2012! Warm regards, Nicole
