Welcome

We have made it through half the year already! We really are at the height of winter with this cold weather. Tracey and I are staying nice and toasty warm in the salon with the heater on full. Over the Queen's Birthday long weekend, Tracey enjoyed the time off by catching up with friends and relaxing. Eltham North Scouts, my family and I BRAVED THE COLD and hiked from Apollo bay to the Otway's lighthouse (approx 35 km's), and Yes we carried our tents, sleeping gear & food on our backs!!! It wasn't as cold as I thought it was going to be and of course I DON'T hike in the rain, so you can all thank me for the lovely sunny (but cold) weather we had, although I think it was warmer down the beach than in Melbourne. Samantha and I are always last, and this year was no different (we aim to Please). Samantha did however earn her green cord, hiking badge (a level of achievement in the scouting movement), which we are all very proud of. Poor Adam still recovering from an illness found it too difficult and had to withdraw, Wayne opted to stay with him. A fun weekend was had by ALL!!!
