Welcome

The family and I had a great time in Torquay with friends, even though it was very cold at night. We even made it to the beach, and yes I boogy boarded (wetsuit on of course). ADAM GOT UP ON THE SURF BOARD!!! All the kids had a heap of fun in the sand, made sand castles and of course the Easter Bunny still found us. Tracey did the family and friends thing for Easter and we ALL ate too much chocolate. Nicole and Tracey.

### TESTIMONIALS:

*I totally love the IPL treatment and I am absolutely thrilled with the results. I am now at maintenance level, and it is good to be rid of the shaver and wax!!! It absolutely doesn't hurt, the results are amazing and it has been worth every cent!! Robyn S Bayswater.*

*I have been having IPL treatment since July 2009 and the results have been fantastic. The growth on my bikini line after 5 treatments is virtually gone. I have just begun under arm treatment and hope the results to be just as good. Thanks Tracey you have been wonderful. Always patient and willing to explain the procedure, job well done!!!
